

National Society of Black Engineers Birmingham Professionals Chapter

Greetings NSBE Birmingham Professionals,
Our 2023 NSBE Birmingham FEA Scholarship Initiative is **OPEN!** **Please see the attached flyer for complete details.** We could really use your support of this year's fundraising efforts! In 2022, we gave \$6,500 in scholarships and we are looking to continue to award scholarships to deserving students. In order to do that we need your help, participation, and input! We are fully capable of hosting a virtual or in-person event. In-person ticket prices would require some feedback to estimate ticket prices, date, and location.
